W. D. Stockwell of Brattleboro Killed.

THROWN FROM A TRAIN.

He Tried to Catch His Hat While Passing From One Car to Another.

Brattleboro, June 29.—Walter D. Stockwell, manager of the Brattleboro Hosiery company, was fatally injured near Claremont Junction today, being thrown from a train while attempting to pass from one car to another. He sustained a fractured leg and shoulder and the skull was fractured at the base of the brain, which caused his death.

Mr. Stockwell was returning to this place from Lakeport, N. H., where he had been to spend Sunday with his wife. When near Claremont he started to pass from one car to another, when his hat was blown off. In attempting to catch it he lost his balance and fell from the train.

He was picked up and taken to the hospital in Claremont, where he died late in the evening without regaining consciousness.

Mr. Stockwell was about 38 years of age and for 15 years before he became manager of the hosiery company, was engaged in the mercantile business at West Brattleboro. He was a man of considerable local prominence, having held several local offices and was a member of the town Republican committee at the time of his death.

A HEAVY WEATHER BOAT.

Reliance Outrigger Rivals in a Smashing Breeze.

Newport, June 30.—The new cup yacht Reliance proved today her worth as a heavy weather boat when she defeated the Columbia and Constitution in a stiff easterly breeze and lumpy sea over a 30 mile course, 15 miles of which was a beat to windward. The latest Hersholt creation sailed the course in four minutes, nine seconds less than the Columbia, and four minutes, 38 seconds less than the Constitution.

All the racing in which these boats have participated up to today has been in light airs and smooth water, but this afternoon there was a smashing whistling breeze blowing and considerable jump to the water, conditions that are exactly suited to the Columbia.

Incident of the Kansas Flood.

Belonging to a family in North Topeka was a cow which had been made much of a pet by the children. When the recent flood came the nine-year-old boy of the family ran to the barn to liberate this cow, says the Kansas City Journal. The next moment the agonized father and mother saw the boy swept away holding to the rope around the neck of the cow. For four days the family were marooned in the house. All this time they mourned their boy as lost. But he was not lost. He managed to mount the cow and she carried him four miles to the bluffs, swimming and wading.

IN BOY'S CLOTHING.

Twenty Year Old Miss Morgan of Brattleboro.

Brattleboro, June 29.—Aversion to wearing girl's clothing led the 20-year-old daughter of Dr. and Mrs. George E. Morgan of New York to don masculine attire two weeks ago, but the fact was not discovered until Saturday.

The girl's parents formerly lived in Heartwellville, in the town of Readsboro, and they are estimable people. The girl has been recently living with relatives in Heartwellville. Two weeks ago she came to Brattleboro, dressed in men's clothes, and secured employment in a livery stable. She hired a room at a hotel, and for two days she worked with the men in the stable, smoked cigarettes and on one occasion drove the hearse in a funeral procession.

Then she went out of the village a few miles to work on a farm. She was seen by a former friend of the family, who recognized her at once, but did not disclose her identity. The girl's disappearance was reported to her parents who learned of her whereabouts by telephone inquiry. The girl's mother came to Brattleboro last night, identified her daughter today and took her home. Those who have been associated with the girl are busy thinking over the last two weeks.

Who Is Chief of Police of That City?

THE COURTS ARE DECIDING

Former Chief Brownell and Mayor Burke Each Desires the Honor.

Montpelier, June 29.—Judge J. H. Watson gave a hearing in the county clerk's office at the court house this evening on the petition for an injunction to restrain Mayor Burke of Burlington from interfering with the duties of Chief of Police Brownell of Burlington. J. E. Cushman appeared for Chief Brownell, and J. A. Brown and R. E. Brown for Mayor Burke.

Mayor Burke and Chief Brownell were present at the hearing tonight. Mr. Cushman argued that the time of suspension of any police officer as provided by Burlington city charter sets wholly with the board of police commissioners and that the mayor has no legal right or power to suspend the chief of police unless charges of any improper conduct are first made in writing and that suspension or dismissal rests with the board of police commissioners.

R. E. Brown, appearing for Mayor Burke, said that under the city charter of Burlington, section 213, the chief of police stands as any other officer of the police force. The police rules do not modify in any way the force of the city charter. Under this section, which was read to the court, Mr. Brown argued that the mayor has discretionary power to remove the chief of police or any other police officer without first preferring charges against him. It is idle, from this section of the charter to argue that the police commissioners have to do with the removal or suspension of any police officer. It is in the sound discretion of the mayor and no one else.

Judge Watson took the case under advisement and stated that when a decision is reached it will be forwarded to Burlington. The hearing adjourned about 11 o'clock.

WELCOME TO
JAS. K. PIRIE

Was Extended by Many Woodmen.

BACK FROM CONVENTION

Reception Held at Miles' Hall, Graniteville, Was Well Attended.

Graniteville, June 30.—A largely attended and very successful reception was held at Miles' hall last evening to welcome James K. Pirie who recently returned from the national convention of the Modern Woodmen of America, which was held at Indianapolis. Mr. Pirie was a state delegate. There were about 125 Woodmen present, many coming from Montpelier, Barre, Northfield and Williamstown, in addition to the members of Maple Leaf Camp of this place.

The evening was spent most profitably in discussions for the good of the order and in hearing reports of the national convention from both Mr. Pirie and Dr. Jenkins of Northfield who attended as head physician. James Fitzpatrick acted as chairman of the evening's arrangements and A. L. McLeod introduced the various speakers. Those who attended the convention told of the readiness of plans of the order as discussed at the convention, and their remarks were of much interest.

Among others who responded for the good of the order were Messrs. Thomas, Whitcomb and Patten of Montpelier. Informal responses were made and songs were sung by various members present, after which light refreshments were served and cigars were passed around. The party enjoyed the occasion until 11 o'clock when they left in order to take the midnight train out of Barre.

Those who had charge of the arrangements for the reception were A. L. McLeod, Morris Spence, Robert O'Hern, R. B. Arthur, Dan McLeod and James Fitzpatrick.

HINESBURGH ROAD SOLD.

Burlington & Southern Railway Co. Will Now Care for Destitute of Road.

Burlington, June 3.—The Hinesburgh railroad passed into the hands of a new corporation yesterday, the deal being made for the purpose of preventing any delay that might occur in the construction of the road by reason of the expiration of the charter, which provided that the road should be constructed as far as St. George by June 30th.

Owing to the fact that the ties ordered for the road were delayed in shipment the road could not be completed in the specified time and consequently the real and personal estate, rights of way, grading, trestles, culverts, rails, ties, etc., were all sold yesterday to the Burlington & Southern Railway company and the Burlington & Hinesburgh Railroad company passes out of existence.

The new company will keep the present force of men at work and it is expected that the road will be completed as speedily as possible.

THEY QUIT WORK.

Burlington, June 30.—In response to the demands of a walking delegate all the union men who were employed in the laying of the water main on the new street off from Loomis street quit work yesterday morning and throughout the day only non-union men were at work.

A force of about 25 men was employed and when engaged nothing was said as to whether they were union or non-union men. The work progressed harmoniously until yesterday when the walking delegate appeared on the scene and ordered the union men to stop work or they would be fined. This they did, leaving only seven or eight men employed. The work will be completed within a few days.

WHITEHEAD-ALLEN.

Two Well Known Young People of This City Married.

A very pretty marriage ceremony was performed at noon today at the home of Mr. and Mrs. S. D. Allen of Jefferson street, when Miss Edith Betsey, their only daughter, was united in marriage to Andrew Irving Whitehead of this city. The marriage was a quiet one, only the immediate families and a few intimate friends being present.

The ceremony was performed in the parlor, the bride standing beneath a bell made of smilax and carnations, in addition to which the room was tastefully trimmed with flowers, ferns, etc. The two ring service was used by Rev. Effie K. M. Jones. Miss Isabel Whitehead, a sister of the groom, acted as bridesmaid, and Frank E. Robinson acted as best man. Frances Hibbard carried the flowers, while Theo Whitehead was the ring bearer. The wedding march was played by Miss Evelyn Heath of Bethel.

The bride was beautifully dressed in a gown of point d'esprit over liberty satin, cut en train. She carried a white prayer book. The bridesmaid was also prettily gowned in white French muslin trimmed with elany lace.

Immediately after the ceremony a wedding luncheon was served to the immediate relatives and friends, at the conclusion of which Mr. and Mrs. Whitehead left on a wedding trip to Lake Champlain, Lake George, Saratoga and Schuylerville, N. Y. Returning to this city they will be at home to their friends at 34 Jefferson street after August 1.

The best wishes of a large number of people go with them, as both are well known and have many friends. The groom has recently been employed as drug clerk in the Red Cross Pharmacy, previous to which employment he was in the Granite City Pharmacy for six years.

Hibbard and daughter of Randolph, Mr. and Mrs. M. J. Richardson of Walsfield, Mr. and Mrs. H. G. Van Dusen of Roxbury and Mrs. Susan M. Way of Roxbury.

GRANTED A THIRD
CLASS LICENSE ONLY

But East Montpelier Commissioners Refuse Joseph Bero a Second Class.

East Montpelier, June 30.—So strong opposition developed at the hearing for granting liquor licenses Saturday evening that the commissioners decided to reject the petition of Joseph Bero for a second class license and to grant his application for a third class license.

The hearing was held at the home of J. S. Wheelock and there was a large crowd present. Mr. Bero was represented by John Senter of Montpelier, while Harry Daniels led the opposition to the granting of the petition. The latter's original will made lively times for those present, as well as doing effective work for the opposition. There was little or no sentiment in favor of granting the second class license and the petition was turned down.

BARRE MAN
A SUICIDE

Siro Pelli Jumped Into the Ocean.

ON WAY TO ITALIAN HOME

First Cut His Throat to Make Certain of Death—Left Barre Three Weeks Ago.

Siro Pelli, an Italian who left this city three weeks ago for his home in Italy, committed suicide while on the passage across the water, according to a letter received here by Barclay Bros. Pelli left Barre in company with Mr. and Mrs. John Giovanelli and M. Rizzi, expecting to spend some time in his native country with his wife and two children, who were already there.

Particulars of the suicide are few, but it is understood that the man first cut his throat and then jumped into the ocean. No cause for his act is known. He was in good health when he left Barre three weeks ago. The news of the suicide came from the International Mercantile Marine Co. and was sent to Barclay Bros. because the company's agent was informed that Pelli at one time worked for them. Pelli was not employed by them at any time, but had worked at his trade of stone cutter in several other shops in this city. Pelli was well known among the Italians of Barre. He was 34 years of age.

THE BAND CONCERT.

Fine Programme Will be Rendered Tomorrow Evening.

The question of whether Barre will have a series of band concerts this summer by the Montpelier Military Band is arousing new interest now that it has been announced that the band will give a concert tomorrow evening in the common. Today Messrs. Pape and Tilden are soliciting subscriptions among the merchants and Wm. Forbes among the shops.

The Times would suggest that subscriptions and a collection be taken at the concert tomorrow evening. Under existing conditions it costs one 20 cents to hear a band concert in Montpelier. If he takes his wife it costs 40, and if he take wife and one child it cost 60 cents. It would be much cheaper to pay for concerts here at home.

The programme for tomorrow evening will be as follows:

March, Mildred.	Merrill
Overture, William Tell.	Boasini
Cornet Solo—Song of the Roses.	Reddison
Serenade—The Old Church Organ.	Karl's orcel.

State Commission Says Layout on Road to the Quarries is Illegal.

According to a decision of the state highway commissioners which has just been received by the town of Barre no more of the state highway funds may be expended on the road leading to the quarries. It is understood that the decision of the state board is based on the ground that the quarry road is not the leading outlet road of the town. Further expenditures on this road would be, according to the commission, illegal. The highways leading to Orange, Washington, Williams-town and East Montpelier will receive some of the expenditure.
